April 28, 2008

Dear Parents/Guardians:

Our records indicate that your child will be testing in at least one International Baccalaureate (IB) course this year. Your child is to be commended for pursuing a world class, pre-university education here at Camdenton High School.

All IB courses are weighted according to building policy. Students taking IB Band or Choir classes must complete the course requirements before receiving a weighted grade. Band and choir students will also take a weighted IB Music Theory class for 1 ½ semesters.

With this education, there is an IB registration and exam fee, established by the International Baccalaureate Organization in its Handbook of Procedures (and published in the CHS Enrollment Handbook). As an IB World School, students are held accountable for paying those fees accurately and on time. Neither the school nor the district profits from these fees. Every penny collected from our CHS families for IB registration and examination fees is sent directly to the IBO for its administrative costs in preparing, distributing, assessing and reporting your child's examinations. The fee scale set by the IBO for the 2008-09 academic year is as follows:

1 exam = \$207
2 exams = \$291
3 exams = \$375
4 exams = \$459
5 exams = \$543
6 exams = \$627

Students are responsible for paying their IB exams fees by Wednesday, October 1, 2008 their junior year and Thursday, October 1, 2009 their senior year. Registration and payment of fees will be conducted during school hours the week of September, 22nd through October 1st, 2008. Missouri now has a federally funded program for reimbursement of International Baccalaureate exam fees. This program applies ONLY to "low income" students. Low income students are defined as students that qualify for the free or reduced price lunch program. Details of this program are attached to this letter. Students in need of financial assistance may also apply for an IB exam fee scholarship through the IB office.

I hope this letter will help your family plan accordingly in attending to this important detail. Thank you.

Paula Brown

Assistant Principal/ IB Director
